

QUADS APPLICATION and AGREEMENT

Criteria for Quad Rooms

1) *Availability*

- Quad rooms will be granted before housing assignments are assigned.
- Graduate student and upperclassmen housing in the Quad is available to students 21+ years-old **or** have completed 90+ credit hours and are in good standing with the University.

2) *Who gets approved for the Quad Houses?*

To be as objective as possible, priority is based on the “Point System” for Apartment Housing and Single Room Requests. The system automatically rewards and prioritizes students with more credit hours, no disciplinary issues, and higher GPAs. Current residents of the Quads **MUST REAPPLY** for this privilege—it is not guaranteed from year-to-year. Exceptions will also be made for students with special needs, and those generally will not be included in the availability calculations (for such an accommodation, please contact the Office of Student Support Services).

The Office of Residence Life reserves the right to refuse or revoke any student approval for the Quads. Residing in the Quads is a privilege and disciplinary probation could result in relocating to a residence hall.

3) *Cost*

This living area is designed as single occupancy, and is not charged the single room rate, but must complete and submit this form.

I have read and understand the policy on the Quads. I understand there are no extra fees associated with approval. I understand that conduct results may lead to leaving the Quads.

Point System for Quads Requests

The following is a point scale that can determine “seniority” in the instance that more students apply and qualify to live in the Quad Houses than we have spaces available.

Quads acceptance determination will consider: 1) the availability of space, 2) medical need as described in the student handbook, and 3) the individuals with the highest number of points. Quads selection windows will be assigned first for returning apartment residents, then descending based on the total group points.

A maximum total of **10 points** may be earned from the following categories:

Credit Hours:

- Disqualified = 49 hours or less
- 0 points = 50 – 59 hours
- 1.0 point = 60 – 67 hours
- 1.5 points = 68 – 75 hours
- 2.0 points = 76 – 83 hours
- 2.5 points = 84 – 91 hours
- 3.0 points = 92 – 99 hours
- 3.5 points = 100 – 107 hours
- 4.0 points = 108 hours or more

Cumulative GPA for each applicant: points are equal to your cumulative GPA

- Disqualified = GPA under 2.0

Disciplinary Probation

- 2 point = No disciplinary probation either of the past two semesters
- 0 points = Disciplinary probation in one of the past two semesters
- Disqualified = Disciplinary probation *both* of the past two semesters

Age

The Quads experience is meant for college students who have are older or beginning their transition out of LETU. Students who are younger than 21 years old are encouraged to live in the traditional residence halls. Applicants for the Quads who are under 21 may be turned down.
